

Guide for Academic Mentors 2018

This document is provided to assist you in submitting an Academic Mentor's Form for applications under the 2018 Government of Ireland Postdoctoral Fellowship Scheme.

**The deadline for submitting your reference is:
exactly 4pm (Ireland time) Thursday 7th December 2017.**

The Irish Research Council will only accept references through the online application system, as explained below. Please do not send any hard copies of your reference to the Irish Research Council.

Please read this document carefully prior to completing the reference.

IMPORTANT NOTE:

As per the Terms & Conditions ‘an Academic Mentor at an Irish HEI/RPO is permitted to support more than one Fellow under each type of Postdoctoral Fellowship available in the 2018 call. The Irish Research Council funds individual Fellows to carry out original Research Projects. In instances where an Academic Mentor supports more than one Fellow, the Research Projects should be distinct and original with no significant overlap’.

Furthermore, the ‘originality (relationship to the ‘state-of-the-art’) and innovative nature of the project’ is a key evaluation criterion and therefore an important consideration.
