Guide for Academic Mentors 2020

This document is provided to assist you in submitting an Academic Mentor's Form for applications under the 2020 Government of Ireland Postdoctoral Fellowship Scheme.

**The deadline for submitting your reference is:
exactly 4pm (Ireland time) Wednesday 4 December 2019.**

The Irish Research Council will only accept references through the online application system. Please do not send any hard copies of your reference to the Irish Research Council.

Note: Applications to the scheme will be deemed ineligible and will not be considered for funding if they do not have all the required participant forms (i.e. an Academic Mentor and two Referee forms) completed in full and submitted via the online system by this deadline.

Please read this document carefully prior to completing the reference.

IMPORTANT NOTE:

As per the Terms & Conditions 'an Academic Mentor at an Irish HEI/RPO is permitted to support more than one Fellow under each type of Postdoctoral Fellowship available in the 2020 call. The Irish Research Council funds individual Fellows to carry out original Research Projects. In instances where an Academic Mentor supports more than one Fellow, the Research Projects should be distinct and original with no significant overlap'.

Furthermore, the 'originality (relationship to the 'state-of-the-art') and innovative nature of the project' is a key evaluation criterion and therefore an important consideration.
