

Irish Research Council – Privacy Notice

Everyone has rights with regard to the way in which their personal data is handled. During the course of our activities we will collect, store and process personal data about our Applicants, Supervisors, Mentors and, Referees, Assessors, Financial Officers in Enterprise Partner Organisations, Research Offices in Higher Education Institutions/Research Performing Organisations and other individuals involved in funding applications and awards (“Participants”), as well as about other individuals who engage with us in relation to our activities.

WHO ARE WE?

We are the Irish Research Council with an address at 3 Shelbourne Buildings, Crampton Avenue, Ballsbridge. We are an agency of the Department of Education and Skills and operate under the aegis of Higher Education Authority.

Our mission is to enable and sustain a vibrant research community in Ireland by supporting excellent researchers across all disciplines and career stages. Among the activities undertaken by the Irish Research Council to fulfil its mission is funding excellent research within, and between, all disciplines.

This notice sets out the basis on which any personal data we collect from you, or from others, will be processed by us. Please read the following carefully to understand our practices regarding your personal data and how we will treat it.

For the purpose of the Data Protection Acts 1988 - 2018 (as amended) and the General Data Protection Regulation (the GDPR) (the **Acts**):

- the Irish Research Council is the data controller where performing its functions as an agency of the Department of Education and Skills in funding research, supporting education and skills development of early-stage researchers, and providing policy advice in relation to postgraduate education and general research; as an employer; and where dealing with suppliers.

Our Data Protection Officer (“DPO”) may be contacted by email at dataprotection@hea.ie or by other means as specified in the “How can you contact us?” section below.

WHAT PERSONAL INFORMATION DO WE COLLECT FROM YOU?

The types of personal data that we collect and process depend on your particular role in a funding application and/or an award administration process. For all categories of Participants, we will collect and process your name, gender and email address. Additional information will be collected and processed depending on the role you fulfil in a funding scheme.

You may give us personal data by:

- Corresponding with us by phone, e-mail, through our social media accounts such as Twitter, Facebook and LinkedIn or otherwise. We ask you to disclose only as much information as is necessary to submit a question/suggestion/comment in relation to our website and/or our services.
- Subscribing to our newsletter through www.research.ie (our website).
- Applying for funding, and/or by using our online application system. The type of information collected includes your name; email; address; telephone number; billing payment details; date of birth; postal address; ORCID ID, and other data depending on the type of application, including but not limited to information about your academic qualifications; prior work experience; publications and other research outputs; information about the proposed research and training related activities. We also collect information about when you accessed the online application system, what changes you made in your application or other form and/or in your profile and about the computer from which you have accessed the system.

Special Category Personal Data, including health related information, may be processed from time to time. Although this type of information is generally not specifically requested it is sometimes provided, for example, in support of a request for an extension.

- Please see Schedule 2 for more details about the types of personal information that we collect from you.

WHAT INFORMATION ABOUT YOU DO WE OBTAIN FROM OTHERS?

We may obtain the following categories of your personal data from others:

- Details regarding applicants from referees or host organisations when applicants apply for a research grant.
- Information entered to the online application system by your higher education institution/research performing organisation when you are registered as a supervisor or academic mentor by that institution's authorised officer. The type of information provided includes your name; position; contact details.
- Information entered to the online application system by applicants when they are proposing you as their referees or non-academic mentors. The type of information provided includes your name and contact details.
- Information received from the Higher Education Authority when you apply to work with us. The type of information you may provide includes your CV, a cover letter, your name, address, email address and phone number, your employment history and education (degrees

obtained, places worked, positions held, relevant awards, and so forth). We ask that you do not disclose sensitive personal information (e.g. gender, height, weight, medical information, religion, philosophical or political beliefs, financial data) in your application.

- Please see Schedule 2 for more details about the types of personal information that we collect from others.

WHY DO WE COLLECT THIS INFORMATION?

We collect this information in order to:

General functions:

- process grant applications submitted to us;
- select beneficiaries under individual funding schemes;
- make payments to Irish research bodies in respect of awards;
- collect contributions from co-funding partner organisations;
- fulfil reporting duties towards the Department of Education and Skills;
- meet our reporting and other contractual obligations for awards funded or co-funded by the European Commission and other entities, where applicable;
- publish information about awards granted on our website and to promote our awards using various communication means, including online;
- monitor the progress of individual awards;
- monitor the use of public funding;
- assess the impact and demonstrate the value of publicly-funded research;
- carry out policy and strategy studies;
- fulfil the Irish Research Council's obligations in the areas of:
 - supporting the education and skills development of early-stage researchers and
 - providing policy advice on postgraduate education and general research matters to the Higher Education Authority and other national and international bodies.
- to perform various analytics pertaining to our functions, such as the impact of Irish Research Council funding from the point of view of awardee's future research applications and career progression, disciplinary and territorial/regional distribution of funding and other similar funding trends;
- share application information on a strictly confidential basis with relevant funding and co-funding partner organisations, government departments and other national funding agencies;
- meet our obligations for public accountability and the dissemination of information;
- carry out payment, administration and review of any award;
- include details of any award in publicly available databases, reports and documents;
- recruit our staff;
- improve our website.

Grant Applicants:

- To process your application, including but not limited to establishing your eligibility for funding by our staff and for the assessment of your application by international evaluators;
- To liaise with you about your application;
- To monitor progress of research and training and career development activities for which you received funding.

Expert Evaluators:

- To assign applications to you for review and to liaise with you in relation to matters pertaining to assessment of applications;
- To provide you with payment when you have been engaged to review funding applications.

Supervisors/Mentors

- To liaise with you in relation to matters pertaining to applications to which you are assigned as Supervisor/Mentor;
- To monitor progress of awards in which you fulfil the role of Supervisor/Mentor;
- To liaise with you in relation to matters pertaining to award in which you fulfil the role of Supervisor/Mentor.

Referees:

- To liaise with you in relation to matters pertaining to applications to which you are assigned as a referee.

Research Officers:

- To liaise with you in relation to applications and awards submitted by applicants intending to be hosted by your institution while undertaking activities for which they are seeking, or have been awarded funding, under our schemes.

Finance Officers in co-funding partner organisations:

- To liaise with you in relation to your co-funding contributions and matters pertaining to awards that your organisation co-funds.

Employment Candidates:

- To process employment applications, including by assessing qualifications, verifying information, conducting reference or other employment-related checks, and notifying you of future opportunities that might be of interest to you.

Website users/online:

- To deliver our newsletter, where you have subscribed to receive same;
- To administer and improve our website and for internal operations, including troubleshooting, data analysis, testing, research, statistical and survey purposes;
- As part of our efforts to keep our website safe and secure;

The legal bases for the processing of your data are:

- for the performance of a task carried out in the public interest or in the exercise of official authority vested in us as the controller;
- to comply with our legal obligations;
- to perform our contract with you; and
- to protect the vital interests of you or of another natural person, where necessary.

Special Category Personal Data, including health related information, may be processed from time to time. Although this type of information is generally not specifically requested it is sometimes provided, for example, in support of a request for an award suspension. We process your Special Category Personal Data where necessary and proportionate for the performance of the statutory functions conferred upon us.

WHO DO WE SHARE THIS INFORMATION WITH?

We may share your personal data with our suppliers, contractors and expert evaluators to perform our functions and manage applications for funding and awards. For example, these suppliers may include our web hosting and IT service providers.

In addition, we may disclose your personal information to third parties:

- If we are under a duty to disclose or share your information in order to comply with any legal obligation, or in order to enforce or apply our terms of use and other agreements; or to protect our rights, property or safety, our customers, or others.
- As part of the processing of applications and management of awards under schemes co-funded by the European Commission, including but not limited to reporting to the European Commission;
- As part of a project with other organisations within the Department of Education and Skills;
- As part of the processing of applications and management of awards under schemes funded or co-funded by other entities, including but not limited to reporting to the relevant entities involved in any given application/award. Applicants/awardees are made aware of co-funding entities during the application and/or award process.

We attach at **Schedule 1** a list of all entities with whom your personal data is shared.

HOW LONG DO WE KEEP HOLD OF YOUR INFORMATION?

The time periods for which we retain your information depends on the type of information and the purposes for which we use it. We will keep your information for no longer than is required or permitted.

For further information on the periods for which your personal data is kept, please see our data retention policy in Schedule 3.

DO WE TRANSFER YOUR INFORMATION OUTSIDE THE EUROPEAN UNION OR EUROPEAN ECONOMIC AREA?

Yes.

The data that we collect from you may be transferred to, and stored in countries, outside of the European Economic Area (“EEA”) for which there is or is not an adequacy decision relating to the safeguards for personal data from the European Commission.

Because of the nature of our functions and activities, personal data is stored in the cloud and accessed by international evaluators, mentors, referees, financial officers and participants worldwide. Standard Contractual Clauses have been put in place to ensure protection of your personal data and you may obtain a copy of those safeguards by contacting dataprotection@hea.ie or by other means as specified in the “How can you contact us?” section below.

The resolution of technical issues with our online application system may be escalated to the technical support desk provided by SmartSimple which is located in Canada and for which there is an adequacy decision from the European Commission relating to the safeguards for personal data.

AUTOMATED DECISION-MAKING AND PROFILING

We do not use automated decision-making/profiling in any of our activities.

WHAT ARE YOUR RIGHTS WITH RESPECT TO YOUR PERSONAL DATA?

You have the following rights:

- to access the personal data we hold about you.
- to require us to rectify any inaccurate personal data about you without undue delay.
- to have us erase any personal data we hold about you in circumstances such as where it is no longer necessary for us to hold the personal data or, in some circumstances, if you have withdrawn your consent to the processing.
- to object to us processing personal data about you such as processing for profiling or direct marketing.

- to ask us to provide your personal data to you in a portable format or, where technically feasible, for us to port that personal data to another provider provided it does not result in a disclosure of personal data relating to other people.
- to request a restriction of the processing of your personal data.

Where our processing of your personal data is based on your consent to that processing, you have the right to withdraw that consent at any time but any processing that we have carried out before you withdrew your consent remains lawful.

You may exercise any of the above rights by contacting dataprotection@hea.ie or by other means as specified in the “How can you contact us?” section below.

You may lodge a complaint with your local supervisory authority with respect to our processing of your personal data. The local Supervisory Authority in Ireland is the Data Protection Commission. The website is www.dataprotection.ie.

Please note that we require certain information in order to be able to provide you with our services/carry out our functions. In those circumstances, failure to provide this information when requested may result in us being unable to provide our services to you.

WHAT WILL HAPPEN IF WE CHANGE OUR PRIVACY NOTICE?

This notice may change from time to time, and any changes will be posted on our website and will be effective when posted. Please review this notice each time you use our website or our services. This notice was last updated on 28 November 2018.
