8. **Incentivised Scheme for Early Retirement (ISER)**: It is a condition of the Incentivised Scheme for Early Retirement (ISER) as set out in Department of Finance Circular 12/09 that retirees,
under that Scheme, are debarred from applying for another position in the same employment or the same sector. Therefore, such retirees may not apply for this position.

9. **Department of Health and Children Circular (7/2010):** The Department of Health Circular 7/2010 dated 1 November 2010 introduced a Targeted Voluntary Early Retirement (VER) Scheme and Voluntary Redundancy Schemes (VRS). It is a condition of the VER scheme that persons availing of the scheme will not be eligible for re-employment in the public health sector or in the wider public service or in a body wholly or mainly funded from public moneys. The same prohibition on re-employment applies under the VRS, except that the prohibition is for a period of 7 years, after which time any re-employment will require the approval of the Minister for Public Expenditure and Reform. People who availed of either of these schemes are not eligible to compete in this competition.

10. **Collective Agreement: Redundancy Payments to Public Servants**
    The Department of Public Expenditure and Reform letter dated 28th June 2012 to Personnel Officers introduced, with effect from 1st June 2012, a Collective Agreement which had been reached between the Department of Public Expenditure and Reform and the Public Services Committee of the ICTU in relation to ex-gratia Redundancy Payments to Public Servants. It is a condition of the Collective Agreement that persons availing of the agreement will not be eligible for re-employment in the public service by any public service body (as defined by the Financial Emergency Measures in the Public Interest Acts 2009 – 2011) for a period of 2 years from termination of the employment. People who availed of this scheme and who may be successful in this competition will have to prove their eligibility (expiry of period of non-eligibility) and the Minister’s consent will have to be secured prior to employment by any public service body.

In this respect, the HEA provide for the employment of a short-listing process to select a group for interview who, based on an examination of the application forms, appear to be the most suitable for the position. An expert board will examine the application forms against a pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience in your application.

This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which they resided. If unsuccessful this information will be destroyed by the HEA. If the applicant subsequently comes under consideration for another position, they will be required to supply this information again.

**Other important information**

The HEA will not be responsible for refunding any expenses incurred by candidates.

The admission of a person to a campaign, or invitation to attend an interview, is not to be taken as implying that the HEA are satisfied that such person fulfils the requirements of the competition or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview. If you do not meet these essential entry requirements but nevertheless attend for interview you will be putting yourself to unnecessary expense.

Prior to recommending any candidate for appointment to this position the HEA will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Should the person recommended for appointment decline, or having accepted it, relinquish it or if an additional vacancy arises the HEA may, at its discretion, select and recommend another person for appointment on the results of this selection process.
