

UK-Ireland Collaboration in the Digital Humanities Research Networking Call

Addendum

04/02/2020

This call will close for applications on Thursday 20 February 2020. Applications should be submitted through the Je-S system by **4pm on Thursday 20 February 2020**, and will need to go through the appropriate institution submission process prior to this (UK applicants only). The Irish PI must submit the PDF copy of the research proposal (including the Budget Form for Irish Costs) submitted through J-eS to the IRC by 11:59pm on 20 February 2020. Applicants missing any of these submission steps will be automatically disqualified. **In line with data sharing best-practices, applicants are urged to transmit the aforementioned documents in a secure manner (for example, a password-protected document and/or an encrypted email) and in accordance with the data protection policies of the investigator's university.**
