Please note:

If you do not find the answer to your query in the call documentation, you should contact the research office in your proposed institution, which will provide information and clarification on the call.

Research offices can send any queries they are unable to clarify to newfoundations@research.ie. Frequently asked questions (FAQs) and answers will be posted on the Irish Research Council's website and updated once the call opens until 13th of June 2024.

The questions submitted during the webinar which took place on the 16th of May 2024, will be addressed as part of the FAQ documents scheduled to be posted on the 17th and 24th of May 2024.

The New Foundations 2024 Call Document can be found at [New Foundations | Funding | Irish Research Council](#).

1. Strand 1a-related queries
Will there be a list of organisations who are keen to participate in Strand 1a?
No, a list will not be provided. Applicants are free to partner with any civic society organisation which meets the criteria outlined in the call document for this strand. It is important to note, that the civic society partner must be a charity with a CHY number and registered with the Charities Regulator .
What does the civic partner need to submit exactly?
Under the 'endorsement form' tab on the New Foundations webpage, you will find a form specific to Strand 1a. This form is to be completed by the civic society partner organisation. The completed form needs to be signed and uploaded as part of the application onto SmartSimple by the applicant. This form is deemed as proof that the application is supported by the civic society partner organisation.
Can you give us an example of the type of project that has been funded under Strand 1a?
The full list of projects which have been granted funding under past iterations of the New Foundations scheme can be found here: https://research.ie/awardees/
Does the civil society group need to be Ireland-based? **NEW**
The civic society partner must be a charity with a CHY number and registered with the Charities Regulator.
For Strand 1A (Enhancing Civic Society), is it possible (and permissible) for some of the award budget to be allocated to project-related activities carried out by the charity partner? In other words, can the expenditure include a budget of sorts for the charity to use? **NEW**
Costs for partner involvement can be included on the award – this would fall under the 'other' category in the budget domains.
2. Strand 1c-related queries
Does the Co-PI need to be based in an Irish Higher Education Institution / Research Performing Organisation? Can the Co-PI be based outside of Ireland?
The Co-PI on the project needs to be based in an eligible Irish HEI/RPO.
How many awards will be granted for strand 1c?
As per the Call Document, up to 5 awards will be made.
For strand 1c, can some members of the be drawn from outside Ireland? **NEW**
The Co-PI must be based in an eligible Irish HEI/RPO. Collaborators and other members can be drawn from outside of Ireland.
Is it necessary that the PI and Co-PI are in different institutions? Can one be for instance in TCD and the other in a TCD centre at a hospital? Can both the PI and Co-PI be from the same HEI? **NEW**
The PI and Co-PI can be from the same Irish HEI/RPO. However, it is important to note that the research being proposed in the application must be of an interdisciplinary nature. The PI must name a Co-PI on their application who will add their expertise to specifically target interdisciplinary research addressing national societal challenge.

Can you expand on what societal shocks, which are mentioned in strand 1c might be? Would the problem of antimicrobial resistance be deemed a societal shock? **NEW**
As stated in the Call Document, Ireland faces an array of key social, environmental and economic challenges, the complexity and scale of which have been heightened by the COVID-19 pandemic, technological change, demographic change, the energy crisis and geopolitical conflict. In summary, a situation becomes a societal shock, crisis or emergency when its scale, timing or unpredictability lead to societal consequences which have the potential to overwhelm routine community capabilities to address them.
For the interdisciplinary 1c strand, can the disciplines be within AHSS, or does the network have to be from both AHSS and STEM? **NEW**
As stated on pg. 18 of the Call Document, the strand is open to either AHSS or STEM leadership, with any combination of an AHSS and STEM co-partnership. So yes - the disciplines can be within AHSS.
3. Strand 4-related queries (no queries to date)
Do you have examples of past partnerships Ireland and Africa? **NEW**
The full list of projects which have been granted funding under past iterations of the New Foundations scheme can be found here: https://research.ie/awardees/
What countries in sub-Saharan Africa qualify as partner countries? **NEW**
As stated on pg. 20 of the Call Document, eligible partner countries include any Official Development Assistance (ODA)-eligible country on the African continent; any ODA-eligible Small Island Developing State (SIDS); Vietnam; Palestine; Laos; Cambodia; Myanmar.
4. Strand 4b-related queries (no queries to date)
If you have already received an award through strand 4b (as a partner) are you eligible to apply a second time? **NEW**
You are not excluded from applying to New Foundations 2024 should you have had a successful project in the past. Past and current award holders are eligible to apply provided the new proposal is clearly distinct from their past/current award. Applications will be deemed ineligible if the research project as proposed in the application has previously been funded in full, or in part, by the IRC.
5. Strand 10-related queries (no queries to date)
6. Strand 15-related queries (no queries to date)
7. Strand 17-related queries (no queries to date)
8. ELIGIBLE EXPENDITURE (no queries to date)
9. ELIGIBILITY CRITERIA
Do lead applicants need to have a PhD?
Yes, as per section 4 of the Call Document, applicants must hold a doctoral degree.
10. APPLYING TO THE SCHEME

You said that each applicant can only submit one application. Is this one application per strand or one application overall?

As stated on page 7 of the Call Document, applicants may only make one application to the scheme in a given year. **It is one application overall.**

Could you please explain what a contract of sufficient duration is? For example, if the applicant is an occasional lecturer (employed during term time), are they excluded from this call? Thank you

Applicants must, on the call deadline, hold a contract of sufficient duration with their eligible HEI or RPO to carry out the proposed research from the project start date until the project end date.
