**Outputs:**

**Applicant Research Outputs, including Publications:**

In the following boxes, please provide information **for up to 5** selected research outputs, which may include publications. This selection may be a list of the applicant's most recent outputs or a selection of the outputs that are most relevant to the aims of the selected New Foundations Strand. The Irish Research Council is a signatory of San Francisco Declaration on Research Assessment (DORA), where research is assessed on its own merits rather than based on the journal in which it is published [https://research.ie/assets/uploads/2019/02/IRC-position-on-Plan-S\\_Final.pdf](https://research.ie/assets/uploads/2019/02/IRC-position-on-Plan-S_Final.pdf).

The IRC also recognises the importance of all research outputs: e.g. creation of data sets, databases and software; conference papers presented; patents granted; excavations; public broadcasts; stage performances; creative writing (such as novels, poetry); creative productions; exhibitions, etc. These may be included here. If you do not have any research outputs, leave this section blank.
