### Proposed research

Will you be a new entrant to the degree for which you are seeking Council funding?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

*If yes:* Please specify the scholarship type for which you are applying:

12-month research master's degree	<input type="checkbox"/>
24-month structured research master's degree	<input type="checkbox"/>
36-month traditional doctoral degree	<input type="checkbox"/>
48-month structured doctoral degree	<input type="checkbox"/>

*If no:* Please specify the degree type which you intend to complete:

24-month structured research master's degree	<input type="checkbox"/>
36-month traditional doctoral degree	<input type="checkbox"/>
48-month structured doctoral degree	<input type="checkbox"/>

*If no:* What date did you first register for this degree?

dd/mm/yyyy

*It is important that the information in this field is entered correctly as the duration of funding awarded is dependent on the date of first registration*

*If no:* Please indicate the duration of scholarship for which you are applying in order to complete the degree type specified above:

12 months	<input type="checkbox"/>
24 months	<input type="checkbox"/>
36 months	<input type="checkbox"/>

*For scholars who have already completed part of the degree for which they are seeking Council funding, the duration of funding to be awarded is dependent on the type of postgraduate degree being pursued and the date of first registration as detailed in the Terms and Conditions*

*If no:* Please indicate the progress of your research to date, i.e. what has been done and what still needs to be done. Please also indicate whether or not you have been confirmed on the PhD register at your higher education institution:

Max 500 words

*If no:* Please provide details of your current funding source:

Max 300 words

Will you be in receipt of any additional awards during the scholarship period, e.g. scholarships, bursaries, travel grants etc.?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

*If yes:* Please provide further details, including the value of these additional awards:

Max 300 words

Do you currently hold, or have you previously held, any other Irish Research Council awards?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

*If yes:* Please provide further details:

Max 300 words

Applicants for a research master's scholarship must not currently hold, or have previously held, a Council Postgraduate Scholarship. Applicants for a doctoral degree scholarship must not currently hold, or have previously held, any Council Postgraduate Scholarship other than that which would enable them to obtain a research master's degree

Have you previously submitted all or part of this proposal to an Irish Research Council scheme and been unsuccessful?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

*If yes:* Please clearly describe the modifications to your research proposal since it was previously submitted:

Max 300 words

Please note that unsuccessful applicants may only re-apply to the programme on one subsequent occasion (with effect from 21 October 2009)

Primary area:

Please consult the [research categorisation document](#) available on the Irish Research Council website for further descriptions of primary area, discipline and other research area

Discipline:

Please consult the [research categorisation document](#) available on the Irish Research Council website for further descriptions of primary area, discipline and other research area

Other research area(s):

Please consult the [research categorisation document](#) available on the Irish Research Council website for further descriptions of primary area, discipline and other research area

Second categorisation – if interdisciplinary:

If your proposed research is interdisciplinary, please list its second categorisation here i.e. primary area and discipline

Keywords describing proposed research:

Please provide a lay abstract for your proposed research, which will be used to inform a non-expert audience:

*Max 300 words*

Please provide details of your proposed research to include (a) aims, objectives and central research questions of the project, (b) how existing literature on the topic has been used to inform the proposal and (c) how the project will advance state of the art and make a contribution to existing knowledge:

*Max 500 words*

Please detail the research design and methodologies to be employed in carrying out your scholarship which should be described in sufficient detail to demonstrate your thorough understanding of the research topic:

*Max 500 words*

Please provide a schedule to include (a) milestones and deliverables for completion of the proposed research, (b) risks that might endanger reaching these deliverables and (c) the contingency plans to be put in place in order to mitigate these risks:

*Max 500 words*

Please describe any specialist knowledge or data required to undertake your proposed research, such as language competency, technical skills or use of specialist software. If this knowledge or data is not already in place, details should be provided as to how it will be acquired over the course of the scholarship:

*Max 500 words*

Please outline your plans for the dissemination and knowledge exchange of your research, including publications, conference attendance, poster presentations, reports and outreach activities. Details should also be provided as to how the impact of your research will be measured:

*Max 500 words*

Please outline **your** reasons for choosing your proposed (a) academic supervisor(s) and (b) higher education institution:

*Max 400 words*

Please provide details of any proposed research trip(s) of more than four weeks' duration which you believe will be necessary for the successful completion of your scholarship:

*Max 300 words*

**The following question applies ONLY to applicants to the Andrew Grene Postgraduate Scholarship in Conflict Resolution, EPA Postgraduate Scholarship or DCYA Growing Up in Ireland Postgraduate Scholarship.** Please outline the reasons for choosing your specific theme, including how your proposal explicitly aligns with the specific requirements as outlined in the theme information:

*Max 500 words*

If you have supplementary information, e.g. diagrams or a bibliography, which accompany your research proposal, please upload them here in PDF format. Supplementary material should only include essential information required for the interpretation and understanding of the proposed research. Applications will be deemed ineligible and will not be considered for funding if they include additional information about the research proposal or applicant

**Ethics:**

Does your research proposal involve any of the following ethical issues of special relevance?	
Informed consent	<input type="checkbox"/>
Human embryonic stem cells	<input type="checkbox"/>
Privacy and data protection	<input type="checkbox"/>
Use of human biological samples and data	<input type="checkbox"/>
Research on animals	<input type="checkbox"/>
Research in developing countries	<input type="checkbox"/>
Dual use (possible military/terrorist application)	<input type="checkbox"/>
None of the above	<input type="checkbox"/>

Does your research proposal require approval by the relevant institutional Ethics Committee?	
Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

Please provide a statement detailing the careful consideration you have given to the ethical implications of the proposed research (where ethical issues may arise) and how you plan address these over the course of your scholarship:

*Max 500 words*

**Sex/gender dimension:**

Does your proposed research involve any of the following?	
Humans as the research focus	<input type="checkbox"/>
Animals as the research focus	<input type="checkbox"/>
Human samples and/or data	<input type="checkbox"/>
Humans involved as consumers, users, patients, or in trials	<input type="checkbox"/>
Research on animals, animal samples and/or data	<input type="checkbox"/>
Research outputs with implications for end users or consumers	<input type="checkbox"/>

Please provide a statement detailing whether there is a potential sex/gender dimension to be considered in carrying out your research. If your research involves any of the above, please indicate how potential sex/gender issues will be handled. In particular, you are asked to reference the points mentioned in the 'checklist for sex/gender in research content' in the Guide for Applicants:

*Max 500 words*

**Data management:**

Please provide a data management plan which addresses the following:

- How will data be exploited and/or shared/made accessible for verification and reuse?
- How data will be curated and preserved?
