The Council maintains 'gender-blinding' of applications for evaluation purposes to mitigate any gender bias in the assessment of excellence. As such, our assessors review applications that are anonymous and free from pronouns or other words which would identify the applicant's gender. In order to comply with these guidelines, we ask that you use 'the applicant', 's/he' and 'his/her' when providing your observations rather than the person's name or pronouns which would identify their gender

## Academic host environment

Please provide details about the academic host environment including (a) the training and career development opportunities that will be provided to the applicant (b) confirmation that the necessary resources, e.g. books, equipment, are available to progress the research and (c) confirmation that the applicant will receive assistance to help them integrate into their new environment:
