

Guide for Research Offices 2021

COALESCE Research Fund Collaborative Alliances for Societal Challenges

GUIDE FOR RESEARCH OFFICES

**The deadline for submitting your research office endorsement is:
exactly 4 pm (Ireland time) Tuesday 30th of November 2021**

This document is provided to assist you in submitting a research office endorsement for applications under the 2021 COALESCE Research Funding Scheme.

The Irish Research Council will only accept endorsements through the online application system, as explained below. Please do not send any hard copies of your reference to the Irish Research Council.

Please read this document carefully prior to completing the research office/university decision. By logging in you will be able to view all applications awaiting completion within your institution and access all complete applications that are available for your endorsement decision.

Logging on to the system

Please note that the online system can only be successfully accessed and supported through the following browsers: Internet Explorer (version 11 and higher), Firefox (2 most recent versions), Google Chrome (2 most recent versions) or Safari (2 most recent versions).

Ensure that the email address ircapps@research.ie is on your 'safe senders' list. You may need to check with your IT department to ensure there's no issue with your organisation's internal firewall.

When you were initially registered as a Research Officer, you should have received an email containing your user name (your email address) and password, and a link to the login page: https://irishresearch.smartsimple.ie/s_Login.jsp

If you have mislaid your password or the email with the password, then enter the above URL and click on the '[Forgot password?](#)' link. A system-generated password will be forwarded to your email address.

When you log in to the system, the following screen will be displayed:

The screenshot shows the system's home page. At the top is a purple header with the word "Notice" and a plus sign. Below this is a white box containing a welcome message and instructions. The next section is a purple header with the word "Shortcuts" and a plus sign. Below this are two sections: "Administration" and "Open calls". The "Administration" section contains five items: "Registered supervisors", "Registered mentors", "Submitted IRCLA Applications", "Register supervisor", and "Register mentor". The "Open calls" section contains three items: "View draft applications", "COALESCE Applications ready for review", and "Reviewed applications".

Notice

Welcome to the Irish Research Council's online system which enables you to apply for competitive funding and to manage your awards. Please read the relevant funding pages on [our website](#) for further details relating to application procedures and eligibility criteria and contact the Research Office in your Host Institution with queries.

A quick guide to your portal can be downloaded by clicking [on this link](#).

We are updating our system so you may notice changes. To report potential errors or concerns you may have relating to the online system only, please email system@research.ie

Please note that if a deadline has passed, the system will not accept forms. Due to the high volume of applications and in the interest of fairness, exceptions to deadlines will not be made.
