Guide for Academic Supervisors

The deadline for submitting your academic supervisor form is exactly:

16:00 (Irish time), 28 June 2023
Forms submitted after this time will result in applications being deemed ineligible.

The Council will only accept forms submitted to the Online Application System (OLS), as explained below. Please do not send emails or hard copies of your academic supervisor form.

Please read the Terms and Conditions of the scheme available on our website and this document carefully prior to completing the form.
DATA COLLECTION AND DATA PROTECTION

The data that you enter into the supervisor form will be accessible to authorised staff of the Irish Research Council (IRC) and to international evaluators assigned to the relevant funding application. Only you and the authorised IRC staff will have access to sensitive personal details kept in your user profile in the online system, such as your date of birth (if provided) or gender.

Applicants are required to liaise with their proposed supervisors before adding them to an application. If an applicant assigns a supervisor to their application without their consent and they subsequently object to being associated with an application and raise this with the IRC, the IRC will remove that supervisor from the concerned application and will notify the applicant. This option is described in the automated email notification sent by the online system to supervisors after an applicant adds their details to an application. Should it happen that you are associated with an application without your consent, and you wish to avail of this option, please email dorothy@research.ie.

Please read carefully the data collection notice available in the online system and on the IRC’s website.
