## LOGGING INTO THE ONLINE SYSTEM:

- The grants management system is only compatible with the two most recent versions of Firefox, Chrome, Internet Explorer and Safari.
- Research officers who are registered on the Irish Research Council's [online system](#) should have received a confirmation email containing their username (email address) and password.
- If you have lost or forgotten your password, navigate to the link above and click 'forgot password?'. A system-generated password will be forwarded to your email address. If you do not receive this email, please check your spam folder. Please note that it may take up to 15 minutes to receive the email containing your new password.
- If you do not receive this email, please check your spam folder and ensure that the [ircapps@research.ie](mailto:ircapps@research.ie) email address is on your 'safe senders' list. You may need to check with your IT department to ensure there is no issue with your organisation's internal firewall.
- If you have a technical issue registering for the online system, please email [system@research.ie](mailto:system@research.ie) for further assistance.
- Once logged in, the screen below will be displayed:

## VIEWING APPLICATIONS IN DRAFT STATUS:

- Click on the 'draft applications' icon to view any draft applications associated with your higher education institution.

### Draft Applications

Search: [ ] 1-3 of 3 < >

<a href="#">Open</a>	1			
<a href="#">Open</a>	2	GOIPD/2023/898	Postdoctoral Fellowship (Government of Ireland)	Test University
<a href="#">Open</a>				

- The following information will be visible for applications in draft status:
  1. Project ID
  2. Applicant's name and email address

Project title

3. Type of Application (ie. Postdoctoral fellowship – Government of Ireland)
4. A PDF of the draft application ('Print (PDF)' button)

- All applications require a mentor to be added as a participant. It is not possible to add a secondary mentor to a postdoctoral application although it is possible to acknowledge advisors/mentors in the "Training and Career Development Plan" section for training in relation to specific tasks and career development.
- The mentor can only complete their form once the application has been submitted.

#### SUBMITTING A RESEARCH OFFICE ENDORSEMENT DECISION:

- By endorsing an application on behalf of your higher education institution, you are confirming that the organisation supports the application. **You are also confirming the eligibility and suitability of the proposed mentor to support the applicant.**
- Institutional endorsement should be declined where significant shortcomings are identified in an application including, but not limited to, non-compliance with institutional research ethics policies and/or the Terms and Conditions for the programme.
- Applications which are not endorsed by the higher education institution by the **deadline indicated in the Call document** will automatically be deemed ineligible.
- In order to view the list of submitted applications awaiting endorsement from your higher education institution, click on the 'applications pending endorsement' icon on the home page.
- **Applications without the required participant forms (mentor forms) completed in full and submitted via the online system will automatically be deemed ineligible and will not be considered for funding. Please also see section 8 of the Call Document for additional information on applications that will be deemed ineligible and will not be considered for funding.**
- Click the 'open' button beside the relevant application in order to view it:
